CHURCH ON A HILL

First Baptist Church Plano will be moving its physical location from downtown to a location near the President George Bush Turnpike east of Coit Road while staying committed to serving all of Plano. The church is launching a multi-year capital campaign, Church on a Hill, that will enable us to build a new facility which includes updated children's areas, student areas, and central meeting areas. The new facility will have better accessibility to the building from the parking lot and better accessibility once inside the building for parents and those with mobility issues. First Baptist Plano has a great and storied history and we desire to build on our legacy as we move a few miles from our current location. We are thrilled about First Baptist Plano's future.
